## **A very special thank you to**

Miss Taylor Cocco  
Miss Amanda Bertone  
Miss Alison Bertone  
Miss Melissa Chipman  
Miss Jillian Kirby

These teachers pour their heart and souls into the dancers and these pieces. So many hours are spent on choreography, in rehearsal, editing music, rhinestoning costumes, and at competitions and performances. NRSB is grateful to have such dedicated professionals supporting our dancers!

# *NRSB Special Awards*

## **Most Improved Dancer**

*Ava Vant*

This award is given to the dancer that has shown tremendous growth this year in her technique, performance, and, most importantly, self-confidence.

## **Dedication Award**

*Olivia Wood*

This award is given to the dancer that has demonstrated commitment to her learning and to her peers. This dancer has persevered through injury and always shows up for class ready to learn!

## **NRSB Spirit Award**

*Lydia Keith*

This award is given to the dancer that has demonstrated commitment to our core values and is always kind and respectful in class, participates in activities and shows her love for NRSB!

## **Professionalism Award**

*Daphnee Perez Cabrera*

This award is given to the dancer that has stepped up to represent NRSB with pride and maturity. This dancer has faced situations with grace and has become a wonderful role model for students.

# Class of 2023

**Meredith Casey** started dance at the age of 2 at the North Reading School of Ballet in the best class of all time, “Dance and Doodle”, because who does not love combining dancing with arts and crafts. During the next almost 17 years, Meredith has been a part of the North Reading School of Ballet family across all dance genres and was a proud member of the NRSB Academy for several of those years making some of her first friends on the dancefloor and memories that will be with her for a lifetime.

In addition, Meredith performed in the Albany Berkshire Ballet’s Nutcracker, performing in several roles with Polichenille being her all-time favorite.

Meredith would like to thank Miss Suzi and the entire NRSB staff for being a constant supporter of her through those challenging days of her illness, with immense flexibility, and a non-stop willingness to work with her to make her recovery and dance work together. In addition, Meredith would like to extend a huge thank you to her dance teachers, current and past, for their direction and friendship. Lastly, Meredith would like to express her sincere appreciation to the entire NRSB community for their support of the Mighty Meredith Project. Meredith will be taking her years of medical experience as a patient to college as she will be pursuing the field of Nursing at Quinnipiac University.

**Annie Kuperstein** started dancing when she was just two years old and has loved every minute of it! Over the last 16 years, she has participated in NRSB’s Academy and has performed in both Albany Berkshire Ballet’s and Melrose Youth Ballet’s “The Nutcracker” dancing nearly every role, including the role of Clara in 2016. Outside of NRSB, Annie has danced in the North Reading High School Masquers annual school musical. She is also proud to have served as Class Vice President, Student Council Vice President, and President of the Northeast Massachusetts Association of Student Councils. Annie is excited to continue her education at Middlebury College where she will major in psychology. She also hopes to continue to dance with one of the many groups on campus. Annie is grateful for her experience and training at NRSB and thanks each of her instructors for their continued support.

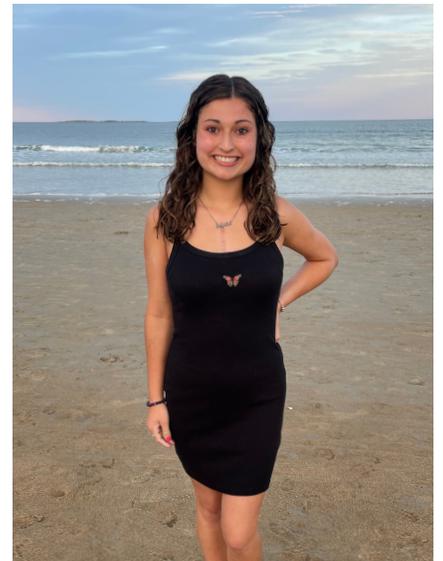

# *Class of 2023*

**Sophia Lee** will be attending Emmanuel College in Boston for Marketing. Although she took a break from dance for two years from the end of freshman year to sophomore year, her love for dance started at the young age of 6. When she transferred into North Reading School of Ballet, she was immersed into many different types of dance that fueled her love for dance even further. Sophia will forever be grateful for the community that has grown with her for her whole life and will continue to dance throughout life because of NRSB.

**Jacqueline Rogers** is a member of the class of 2023 at Billerica Memorial High School and is the president of the Educators Rising Club, National Honors Society, and the Spanish National Honors Society. She has been dancing since she was three years old and is currently a competitive tap dancer. This is her second year taking tap class at NRSB and she loves it! She hopes to continue to dance in college. She currently works at Fun Club, an after school childcare program through the Boys and Girls Club. She has had an internship in a third grade classroom all year through her high school. In the summer she works at the Boys and Girls Club Summer camp as a camp counselor. Jacqueline will be attending Endicott College in the fall and will be majoring in Elementary Education.

**Lucy Wagner** is cherishing her fourteenth and final year of dancing at NRSB. Her love of dance has only grown through these years. She was given the opportunity to perform in Albany Berkshire Ballet's *The Nutcracker*, competitions, conventions, and other fundraisers. Outside of NRSB, Lucy has served as Vice President of North Reading High School's *Masquers* and been a Music Director of *NOTEorious* acapella for two years. She credits NRSB with her initial inspiration for pursuing performing arts in college, and will bring the lessons she learned along with her. Lucy will be attending The Hartt School conservatory at the University of Hartford for a major in music theatre and a minor in psychology. Lucy wants to thank every one of her teachers for supporting her, sticking it out through crazy online classes, and always pushing her to be a better dancer and kinder person.

*"Stand up! Keep your backs straight!  
Remember that this is where the wings  
grow."*  
— *Martha Graham*

Best wishes on your journey ahead!  
We will miss you all!

(617) 894-9966**

## *A Note from the Director*

Dear NRSB Families,

This year has gone by so quickly! It seems like just yesterday we were starting classes for the year. This year, recital is extra special for me because of our presentation of "The Nutcrcker."

This ballet holds a fond place in my heart. Many of my favorite childhood and professional memories involve the Nutcracker.

This has been a collaborative effort among all the teachers and dancers and it has been such a joy to see it all come together into a cohesive story. I take so much pride that alumni and friends are eager and happy to come back and perform with us.

Dance does not end with high school and I love that NRSB is able to provide a space for those to continue and for the example they set for our current students. I sincerely hope you all enjoy the dancing and story-telling of NRSB's "The Nutcracker."

Recital always makes very grateful, and this year is no different. I would like to thank all the parents and grandparents who has trusted us with your children and got them to class every week. Life is certainly back to its hectic ways and we appreciate the time and effort in getting the dancers to class and allowing us to share our passion. I would like to thank my amazing teachers. You all go above and beyond and we are all lucky to have you!

To the dancers, thank you for showing up and giving it your all. Watching you all grow and develop into amazing dancers and humans is why I do what I do. Go light up that stage!

Love, Happiness, and Health!

Miss Suzi
