CELEBRATION OF DANCE

FEATURING

Cinderella

**North Reading Center for the Performing Arts

A Note from the Director

Dear NRSB Families,

Each recital season, I have to remind myself to slow down and look back on the last year. There are so many things I love for the NRSB community. I love seeing the growth of the dancers, the giggles in class, and it has been a year of hugs from our little ones and I am here for it!

New this year, we expanded our Academy program to include our Performance, Mini and Petite teams. It brought so much joy to watch these dancers perform on stage and share in something they love. At the end of the day, it is not about the awards received, but the power dance has to bring people together, fostering a sense of community and camaraderie among dancers and their audience.

We look forward to creating more of these opportunities in the coming year!

I am so excited for today's performance because it is a perfect example of collaboration among dancers and teachers. Dancers have learned the importance of cooperation, communication, and patience as we worked together to create a cohesive performance. We hope you enjoy it as much as we have enjoyed creating it!

I would like to take a moment to thank all the parents, grandparents and caregivers who have trusted us with your children. Life is busy and we appreciate the time and effort in getting the dancers to class and allowing us to share our passion. I would also like to thank my amazing teachers. None of this would be possible without you. Thank you for the love and care you give each dancer.

To the dancers, thank you for showing up and giving it your all. Watching you all grow and develop into amazing dancers and humans is why I do what I do.

Go light up that stage!

Love, Happiness, and Health!

Abbey Lilley

This year marks Abby's twelfth year dancing at NRSB. Her love for dance started in her first ballet class, and she had been hooked ever since. Since then, she has taken classes in ballet, tap, jazz, contemporary, pointe, modern and more, and she has loved every minute of it. Outside of NRSB, she has danced in each of the musicals at North Reading High School, as well as competing in both indoor and outdoor track and field. Next year, she will be attending the University of Vermont where she will be majoring in psychology. While she continues her education, she also hopes to join the dance group there. She is so grateful for her time at NRSB, the wonderful support she has gotten from teachers, and the friends she has made along the way.

Liv Najarian I've been dancing at NRSB for only a few years but the warm welcome I received made me feel so welcome from day one. I have really enjoyed taking ballet here after not taking ballet since I was a little kid. NRSB has allowed me to really enjoy this class again. My favorite memory was my first recital at NRSB, when it was held outdoors in Rockport. It was such a fun experience. After graduation I will be going to art school, majoring in illustration at SCAD in Savannah, Georgia. I am excited for this new chapter but will look back on my time here fondly.

*Best wishes on your journey ahead!
We will miss you!*
